TREASURES FROM OUR TRADITION

The premier poet of the English language, Geoffrey Chaucer, introduced one of his most beloved characters, the "Wife of Bath," by this telling remark: "Husbands at church door she had five." Four times widowed, she was setting off on a pilgrimage, notably without number five. The church door is a curious detail, pointing to the fourteenth-century wedding custom of marrying on the porch of the parish church. The goal was to give maximum publicity to the consent of the groom and bride, and so consent was moved from the bride's home to a public venue. The priest would stand in the doorway and begin by sprinkling the couple with holy water. He needed to make sure they weren't too closely related and give them some instruction. He would direct the groom to pay the bride's family a dowry, and then announce the monetary amounts to the interested passersby. Only then would the guests enter the church for the wedding Mass, during which the bride and groom would hold lighted candles. The gradual move from home to church and the shift from the bride's father to the priest's authority helped to protect the freedom of brides who weren't quite as confident as the Wife of Bath.

Sharing the Pro-Life Message

Do we believe in the Bible?
Do we really believe in the
Bible? God said "I knew
you before you were born".

Every baby aborted is God's creation sent into this
world to be a future priest, pastor, doctor, lawyer, etc.
Abortion is saying no to God's plans for the future of
our nation.

The OFS Gathering and Ongoing
Formation will be held this Sunday,
July 9th, after the 11:30 AM Mass at
St. Francis.

Please pray for the repose of the soul
of **Father Patrick Noonan** who
passed away on July 4, 2017. Father
Noonan, who was a former pastor
of IHM, had been fighting cancer.
Please keep him, his family and all
who loved him in your prayers. God grant him eter-
nal rest. May his soul and all the souls of the faithful
departed rest in peace.
